

Charity No. 1086425

April 2019

Newsletter

Easter is fast approaching and during this time of Lent we often think about fasting and living more simply ... for many of us it is a choice but for others living very frugally or even struggling to feed families is a reality that we have seen becoming an increasing problem. We are very grateful and humbled by the response of people to our food requests as you all make a tremendous difference in the lives of folk suffering. Thank you ☺

Project Focus – Fun & Food4All

Over the last few years we have gradually increased our provision during the school holidays, with a key aim being a reduction of holiday hunger, and during the Easter Holiday we have 4 sessions with a range of activities. We provide a meal for families at each session but we also have activities to involve the whole family: a cooking session; creative fun with polystyrene eggs; fluffy sheep craft; a treasure hunt; and lots more ☺

We have been supported in this work by Together Redcar and Cleveland via their Feast of Fun provision and we value this support as it enables us to buy extra craft items and cook healthy meals with fruit snacks.

If you know anybody who would enjoy these sessions please let them know [dates below] and if you would like to get involved in volunteering please speak to Juanita or Shona.

As mentioned in the last newsletter, we have a Volunteer Celebration Evening on Saturday May 18th from 7.30pm at St Paulinus Church and you are all cordially invited to attend. Invites will come out via email/post/at projects and if you can let us know if you be able to join us that will be helpful for catering – we hope it will be a wonderful night and we can have fun celebrating becoming an 'Investing in Volunteers' organisation!!

Thanks for all your support,
Shona, Joanna and Juanita <><
