Summer is coming to the end and we head into September with some new ideas for work with the elderly, some extended parenting sessions and we are busy preparing for our October AGM. The staff team are nearing 3.5 to 4 stone lost and would welcome encouragement for the final 2 months to reach our targets 😊

FoodStop cupboards are doing well for beans, spaghetti hoops, soup, cereal and dried pasta/rice but we are running low on the following: tinned meat [ham, corned beef etc], meat meals, tinned vegetables, puddings, jams and coffee.

Project Focus – Holiday Cub

August was filled with Fun & Food4All sessions and the Space Academy holiday club. The latter was 3 days of fun, space themed activities, the story of Captain Kim's crew exploring through the Delta Quadrant plus exploring the Bible adventures and challenges of Daniel & his friends. On the Wednesday we were visited by the Mayor Dennis Teasdale and his wife Honor who spent a great deal of time talking with the children and volunteers.

We had a brilliant group of volunteers providing support with the children, making wonderful meals and acting in our dramas up on stage ... an exhausting week but a wonderful time sharing with the young people in or local area – we felt really blessed <>< 😊

After the 3 days we rounded off the week with a trip the Bowes museum [36 children and 21 adults] where a lovely time was had by all. Over the summer we have fed, and engaged with, more than 70 children and young people plus parents, carers and grandparents – we have been incredibly grateful to Together Redcar and Cleveland for their support #feastoffun plus Warburtons, M&S, Quorn and Morrisons for food donations.

Thanks to you all for the support,
Joanna, Juanita and Shona <><
