Bridge News: June 2018

I am writing this two thirds of the way through our week with the Getwell team so apologies for errors ☺!! We have had a fabulous week with contacts with 60+ young people, a brilliant Harry Potter themed Murder Mystery [Mary's portrayal of Bellatrix even had her host questioning whether her to let her stay], and the chance to connect with old friends and new at Churches, coffee, picnic and soon Soup & Roll. Pray for all those who have been impacted by the team's visit and for the relationships that have grown during the week.

Project Focus – Holiday Clubs

We have just finished our May holiday club and planning will soon start for our Space Academy club in the summer. The clubs are noisy, busy and full of fun but need a number of volunteers to help it run smoothly. This week we have had a Go Global theme and have thought about the spread of the good news throughout the world. We have had drama with the Watt family, puppets Bert and Lucy, story-telling with 7 important 'Ps' [Prophet, Peter, Paul, Philip, Pentecost, Power and People], and lots of crafting was done.

The holiday clubs are a real blessing to the families and the parents share how much the young people enjoy the sessions. In the summer we have our Space Academy and we will be looking at the story of Daniel through stories, drama, games and crafts.

We are grateful for all those who give their time to aid the running of the weeks and if you feel you can help out please speak to Juanita or Shona about the August week. We need help with:

Leading groups or supporting leaders;

Catering for the lunches;

Preparing crafts; and performing short dramas.

It is a great experience for students who want to work with children and good fun being around all those smiling faces. We are recruiting for the Space Academy now and if you know any families with children who might enjoy the club please point them in our direction!!

Thanks to you all for the support,

Joanna, Juanita and Shona <><
