March 2019 Newsletter

Last month has been a busy one for all the projects; we can tell the weather has been warmer and sunnier. Long may it continue!

Project Focus – Volunteering

As you may or may not know, we have now received our Investing in Volunteers status and we are waiting to receive our plaque and we are planning a celebration day on May 18th to mark the occasion in a couple of months. It is the result of many of our volunteers working hard to put information together over the last year. This is because we value our volunteers and we want to work with them and we are a team. It insures that we are held to a higher standard when working with our volunteers. Saying that; we still do need some volunteers to fill gaps in NightLight, Soup and Roll, Monday Friends and Guisborough Community Luncheon Club at Kemplah House; if you think you could help with one or more of these projects then get in touch with Shona or Joanna. ☺

We are also looking to employ someone who is interested in working with young people aged 11-18years. Friday nights during term time we run our Bridge2Youth group from 5-9pm at GMC and we are short a member of staff now, so we are hoping to employ someone for 4 hours/week to fill this gap. We cook simple meals for the young people and have a chat/games time during the session. It is a wonderful experience getting alongside the youth and giving them a safe place to hang out with their friends and we also give them emotional support when needed. If you are interested in this or would like some more info please see or speak with Shona or Juanita. ☺

Thanks for the support,
Shona, Joanna and Juanita <><
