Dear all,

2020 has seen us 'dreaming dreams' as the 20th anniversary of the Bridge approaches in April 2021. We have been looking at our projects [new & old], our FoodStop stocks and all our resources packed into limited space and this has led us to consider whether the time is right to find our own building. It was part of the original vision and now, with 18 projects, we feel it might be the time to look again.

We were due to have a meeting on the 16th March but we need a little more time to look at changes to the constitution, legal ramifications and making sure we are on solid ground moving forward. Please feel free to chat to us about our plans and if you have ideas for what other possibilities there might be for our work, if we have our own building, don't hesitate to share.

We have our friends from Getwell Rd returning from the 23rd to 31st May. We will have another busy week planned and more details will come out in early April. We do have a Camp of Champions Holiday Club running all day Tuesday and Wednesday then Thursday afternoon it will be full of games, crafts and lots of fun. We also hope to have a fun quiz/games night on the Saturday night 😊

We have 14 team members coming and if anybody would like to host please get in touch – if you want to talk to others who have hosted about the really positive experience of opening your home speak to one of the team.

We would also ask you to cover all the discussions, plans and decisions of the Bridge in prayer and thank you for all your support.
